Lloyd Hearing Aid Corp. offers products from only top brand name manufacturers — the exact same ones found in quality audiologists' clinics or doctors' offices.

Towing Service

If your car can't be started, towing from the point of disablement will be provided to the destination of the member's choice. If service is provided through the dispatch network, towing will be limited to 15 miles from the point of disablement. Any expenses incurred beyond the 15-mile limit will be the responsibility of the member, payable directly to their service facility, and are not reimbursable. In either case, service is limited to one tow or service call per disablement.

Car Won't Start

Service is available to provide a battery jump and minor roadside adjustments to start the car, even if it's in your driveway.

32 Legal Program

33

As a member of Beyond Wellness, you are privileged to have a guaranteed low hourly fee not to exceed \$125 per hour, or if and when appropriate, at a 40% discount off their usual and customary hourly rate. The attorney can often estimate how many hours any given case may take. All costs and filing fees are additional.

If services have already been incurred on the guaranteed low fixed fee schedule outlined in this section, a matter may thereafter become too complex than originally anticipated. If a matter is no longer qualified under the guaranteed low fixed fee schedule, you may switch to the hourly rate of no more than \$125, or if and when appropriate, at a 40% discount off their usual and customary hourly rate for attorney services.

For example, a simple uncontested divorce may suddenly become a contested nightmare. If the attorney had already worked for many hours on the divorce, you would pay the guaranteed low fixed rate in the schedule of \$275 as agreed and then no more than \$125 per hour, or if and when appropriate, at a 40% discount off their usual and customary hourly rate for the remainder of the work needed to resolve the matter. Of course, you and your attorney must be in full agreement of these fees.

How it Works

Simply call the customer service number on the front of your membership card to find the right attorney in your area. Customer service representatives are available on weekdays from 8am to 8pm EST excluding holidays to answer any Legal Club or Network Attorney related questions. Customer service representatives can also refer you to another attorney if you wish.
